I. AUTHORITY: Pursuant to authority vested in the CIA Property Survey Board by a directive dated 7 March 1949, from the Director of Central Intelligence, a meeting was held in Room 200, 2210 E Street, N. W., Washington, D. C. on 19 April 1949.

II. MINUTES: The Minutes of meeting held 16 February 1949 were approved.

III. A request from the Acting Chief, Supply Division for authority to dispose of Out-Dated Batteries was received by the Board. Action was deferred pending additional information from the Acting Chief, Supply Division.

IV. In accordance with Paragraph 2-b, Administrative Instruction No. 40-11, dated 4 March 1949, the Board designated Mr. [REDACTED] in acting capacity to determine relief from accountability or responsibility for damage to, or shortage of CIA property where there is no evidence of fault or neglect on the part of the individual concerned and where the estimated damage is not in excess of \$100.00. This is for a time trial period to determine the work load and responsibilities involved. Activity report is to be made by Mr. [REDACTED] at the next periodic meeting.
